RE: G.R.P. INSULATED FREEZER BODY

We appreciate your valued enquiry and have pleasure in quoting as follows:

OFFER:

To manufacture and supply a G.R.P. Insulated Freezer body to a chassis cab to the following specifications:

BODY SPECIFICATIONS:

- a) **External Body Dimensions:** 0 000mm (Length)
0 000mm (Width)
0 000mm (Height)
- b) **Double rear doors:** Fully opening **double rear doors** fitted complete with our independent rubber door seals, heavy-duty door hinges, and locking poles. Door securing T-catches and D-rubber bumpers fitted to
- c) **Insulation:** **Sides, front and rear** will be insulated with a **polyurethane** insulation with **additional ply** reinforcing behind inner skins to add strength. **Roof and floor** insulated with a **waterproof polystyrene** insulation.
- d) **Panel finish:** Internal and external panel finish will be G.R.P. sheeting.

2/.....

- e) **Floor:** G.R.P. external skin, reinforcing between insulation foam with **12mm / 18mm FINN Ply overlay to secure floor against forklift and pallet jack loading**. Final finish will be handlayered G.R.P. with anti-skid final coat that will continue 300mm up sides to serve as an internal laminated kick plate for inner wall protection. A 3Cr12 stainless steel entry plate by full width of door opening fitted.
- f) **Under run:** Heavy-duty under run bumper fitted with a chevron and D-rubbers fitted to protect rear of body.
- g) **Finishing:**
- i) External corners fitted with our personalised large aluminium extrusions all round that adds to the strength of our bodies. All capping finally sealed all round with silicone sealant to prevent water penetration.
 - ii) Reinforcing and cut out for a refrigeration unit of your choice.
 - iii) Wheel arch protection fitted above wheels at rear to protect bottom of floor and behind light box.
 - iv) Our sub frame is designed in accordance to the chassis manufacturer specifications.
 - v) "SABS" approved truck tail- and number plate lights will be fitted.
 - vi) Sub frame painting is of high quality 2K to match truck chassis colour.
 - vii) All components used in the construction of our high quality bodies are corrosion resistant aluminium, fibreglass or stainless steel.
 - viii) Standard "Icecold Bodies" mud flaps fitted behind rear wheels.
 - ix) "Reflexite" tape fitted where required by law.
- h) **Included:**
- i) Moving of vehicle to fridge / tail lift supplier in the Gauteng region.
 - ii) Two (2) drain holes.
 - iii) One (1) interior light with micro switch.
 - iv) Fit door stopper plate at bottom of left hand rear door.

REFRIGERATION UNIT (No Discount):

GENERAL TERMS AND CONDITIONS

1. DELIVERY

All deliveries are ex – factory.

Production will only commence upon:

- i) receipt of an official written order
- ii) written confirmation of approved finance or available funds from a recognized financial institution
- iii) confirmation of deposits where applicable.

2. PAYMENT

A COD invoice will be issued upon completion of the goods and full payment is due prior to delivery ex – factory.

3. OWNERSHIP

Ownership of the goods remains with Icecold Bodies, and transfer of ownership will only take place once the purchase price has been paid in full.

4. VALIDITY

This quote is valid for a period of **15 days** from date hereof and is subject to review thereafter.

5. WARRANTY

All G.R.P bodies manufactured by Icecold Bodies are guaranteed for a period of thirty-six (36) months from date of delivery. Accident, abuse, fair wear and tear excluded.

Our products carry a one year warranty. **This warranty excludes fair wear and tear, neglect and abuse.**

Under no circumstances will Icecold Bodies honor any 3rd party maintenance, be it precautionary or emergency, should it not be sanctioned by Icecold Bodies by means of an official order.

6. DOCUMENTATION

Licensing is not included but can be arranged as a separate transaction, the only costs being the cost of the license itself and number plates.

7. V A T

All prices in this quote are exclusive of V A T.

As per the requirements of the South African Revenue Services all cross border transactions must be declared at the border.

Iceland Bodies (Pty) Ltd is the Exporter.

The responsibility remains with the Customer to make the necessary arrangements with a Clearing Agent to declare the transaction.

Kindly ensure that the SAD500, EDI Release Note and all other relevant documentation is provided to Icecold Bodies (Pty) Ltd by no later than two months from month of Tax Invoice.

8. END USER SPECIFICATIONS

Iceland Bodies cannot support the final specifications if the details of the End-user is unknown, and will thus charge additional costs should any specification be given through wrongly from a middleman.

9. LEGAL AND FINAL BINDING

This quote becomes a legal, fair and final once signed and accepted. All the specifications, prices and relevant details to the product under negotiation will be accepted as accurate and final when signed by whichever party and Icecold Bodies cannot be held accountable for additional changes, negotiation or specifications as this becomes a legal document.

Yours faithfully,

ICECOLD BODIES
